I go to school № 2009. This year I am in the 5th form. I have 5 or 6 lessons a day. The lessons start at half past 8. My favourite lesson is Art. I like drawing and our teacher is very kind. She always gives us good marks. I have many other subjects in my timetable too.

I have lunch at half past 10. I have dinner at school, too. I don't go home after dinner. I stay at school and have fun with my friends. I sometimes do my homework at school, too.

I like school, but I don't like lessons. The school year finishes in May. We have summer holidays in June, July and August. I love summer!
